Projects

- Chatbot (Python) — an NLP chatbot analysing the inauguration speeches of France's last six presidents: TF-IDF scoring, shared/distinctive themes, and free-text Q&A in French. Built with a classmate.
github.com/Evolve1945/Chatbot
- Cyberpix (Python) — a small 2D game with hand-drawn pixel-art sprites, packaged into a standalone Windows executable. github.com/Evolve1945/Cyberpix
- Portfolio website (in progress) — personal site gathering my projects. [link coming]

Experience

Galleries Lafayette Haussmann — Sales Advisor	Oct 2024 – May 2025
<i>Paris</i>	
• Advised and sold to customers: sportswear, then skincare & beauty products. • Customer relations in a demanding, international setting; used foreign languages daily with customers.	
Kinougarde — Childcare & homework tutoring	Oct 2023 – Jul 2024
<i>Paris</i>	
• Supervised two children (9 and 11), homework support and regular follow-up.	

Languages

French: native

Russian: C1 • **English:** B2 • **German:** B1

Interests

- Karate — 1st dan black belt; regular gym practice.
- Programming — games and websites (personal projects).
- Reading — communication, influence and personal development (Carnegie, Greene).
